Did you know that the five local jurisdictions that support the Jefferson-Madison Regional Library system cover the basic services and programs for library patrons? A major purpose of the Friends of the Library is to generate additional funding for such things as:

- ✓ Summer reading programs for children and young adults, including rewards and small "achievement" prizes.
- ✓ Funding for enhancement of the various collections of the library system (books, audio-visual materials, etc.).
- ✓ Additional funding for each library's individual needs and support of local book review programs.
- ✓ Providing major grants when new branches are opened (e.g., Crozet, Greene)
- ✓ Annual financial support to the Virginia Festival of the Book.
- ✓ Funding of the two-hour free parking for patrons of Central Library who use the Market Street garage.
- ✓ Providing the funding for the monthly book review/newsletter *Book Page*
